

CITY OF SHELBY

JUNE 2026 NEWSLETTER

Dear Shelby Residents,

Summer will be a very busy time in Shelby!

As summer begins construction begins on infrastructure projects as well as community repairs and upgrades that support and improve our public works and service for all residents. Phase 1 of the wastewater improvement project is underway!

Many improvements have been made at the swimming pool so make sure to visit this summer!

We are so thankful to all the students and staff of Shelby Schools as well as the numerous groups, organizations, businesses and individuals who gave of their time and energy to help Shelby shine as part of our annual Arbor Day cleanup. You are truly stewards of our community in continuing to make Shelby a great place to live, work and raise our families.

We hope everyone has a safe and fun summer! As always, please contact Shelby City Hall at (406) 434-5222 with any questions or concerns you may have. Happy summer!

As a Tree City USA for 26 years, the City of Shelby is very grateful for all those who continually volunteer their time, and ultimately serve as good stewards of the community. Together we are making progress in caring for our tree population and improving tree species while also keeping our community clean and cared for.

Special thanks to all the students & staff of Shelby Public Schools, Laura Peters, Marias River Electric/Shelby Gas, the Shelby Baseball/Softball Association and all the other groups, businesses, and individuals for participating in our Arbor Day celebration and Annual Shelby Clean Up. Community efforts like these cannot happen without the support of all these wonderful people. THANK YOU!

Thank
you

IRRIGATION RATES ARE ON!

MOW NOTICE

The City of Shelby weed ordinance requires that all vegetation on property be kept below six inches. If vegetation is in excess of this you are in violation of the ordinance. The ordinance is on the City of Shelby website (www.shelbymt.com). Unsightly weeds and vegetation are a continued problem in our community and the City Council wishes to eliminate the annual problem. Trees, hedges and bushes at intersections must be no higher than 2 1/2 feet within 30 feet of the street corner. The City of Shelby weed ordinance provides for crews to mow weeds on your property if you fail to comply with the weed ordinance without any notice.
