

CITY OF SHELBY

JUNE 2022 NEWSLETTER

Dear Shelby Residents,

Special thanks to the Shelby Recycling Association, Shelby Elementary School and SHS National Honor Society in partnering for the annual Mountains of Cans Challenge. Students brought over 1,000 pounds in aluminum cans in an effort to create the largest "mountain" of cans! National Honor Society students assisted the younger kids and loaded all the cans into the recycling trailer. This is a wonderful way to encourage recycling in our community and encourage our young people to make a difference in their community, country and world!

Summer is a very busy time in Shelby! Several construction projects will be bid this summer for construction. Multiple street paving projects are also planned. In addition, city staff have worked hard to prepare the pool for this summer's fun! Signage is being completed on our welcome signs and new signage for *The Hills* Mountain Bike Trail will be installed soon. The Historic Shelby Town Hall (Chamber office) will be painted later this summer and the fieldstones and donor pavers, installed at Champions Park. Meadowlark Park may see some exciting additions later this summer and new trees have been planted in Lincoln Park and Lake Shel-ooole Campground!

Please check out the Summer Activities List in this newsletter! There are so many great activities for kids and families to take part in. We hope everyone has a safe and fun summer! As always, please contact Shelby City Hall at (406) 434-5222 with any questions or concerns you may have. Happy summer!

THANK YOU

As a Tree City USA for over 20 years, the City of Shelby is very grateful for all those who continually volunteer their time; donate to our forestry program with the gift of trees; and ultimately serve as good stewards of the community. Together we are making progress in caring for our tree population and improving tree species while also keeping our community clean and cared for.

Special thanks to all the students and staff of Shelby Public Schools, St. William Youth Group, Hinrichs/Ardent Mills, Toole County Sheriff's Office and Logan Health for participating in our Arbor Day celebration and Shelby Clean Up Week. Community efforts like these cannot happen without the support of all these wonderful people. YOU ARE ALL GREAT EXAMPLES OF COMMUNITY SPIRIT AND PRIDE! That's what community is all about! THANK YOU!

WEED ORDINANCE - MOW NOTICE

As spring turns into summer, weeds and debris can get unsightly! The City of Shelby weed ordinance requires all vegetation on property be kept below six inches. If vegetation is in excess of this, you are in violation of the ordinance and the city can go in and mow your property – billing you for the time! The ordinance can be found on the City of Shelby website at (www.shelbymt.com).

At the same time, trees, hedges and bushes at intersections must be no higher than 2 1/2 feet within 30 feet of the street corner for visibility and safety of pedestrians and motorists. Please look at your property, be a good neighbor and let's make our community shine this summer. Your efforts are greatly appreciated.

SUMMER SCHEDULE

IRRIGATION

RATES ARE ON!

GARBAGE RATE INCREASE

Unfortunately, last year we had to adopt a rate increase for landfill fees with an increase to garbage collection fees scheduled for this year. Beginning in June, we will raise our garbage rates \$3.00 for residential customers with an identical percentage increase to our commercial customers. No one likes to raise fees for any services, but it is essential that we do so. As always, we appreciate your thoughts and input.

Rec Pass Fund

Each year the City of Shelby tries to maintain a Recreation Pass Fund for the children of Shelby. The fund provides financial assistance to those kids who cannot afford swimming pool passes. If you would like to contribute to this fund please contact Shelby City Hall at (406) 434-5222 or send your donation to the City of Shelby Recreation Pass Fund ~ 112 1st St. So., Shelby, MT 59474. Let's make sure every child has the opportunity to enjoy a summer of fun & exercise at our Shelby Swimming Pool.

CIVIC CENTER...The sun is shining and summer is on it's way! The Civic Center will have a few new adjustments through the summer with classes and schedules. High Fitness and Circuit Training will be taking the Summer off but in replacement we have a new HIIT class that will be starting on Tuesday's @ 5:30 p.m. with Hali Richmond! It's a great mix with the High Fitness and Circuit Training. A great way to keep you going after eating the amazing BBQ dinners you'll be having!! Also Tai Chi's Wednesday class is moved to Friday @ 10:30 a.m.! Roller Skating will be kept on the same days of Tuesdays and Thursdays but will be from 1-3 p.m.!! Don't forget Pool passes are also sold at the Civic Center, City Hall and Pool! Have a great Summer and enjoy the sun!!
