

# CITY OF SHELBY

## JUNE 2023 NEWSLETTER

### Dear Shelby Residents,

Special thanks to the Shelby Recycling Association, Shelby Elementary School, and Shelby High National Honor Society in partnering for the annual Mountains of Cans Challenge. Students brought nearly 1,000 pounds in aluminum cans to create the largest "mountain" of cans! This is a wonderful way to encourage recycling within our families and encourage our younger people to make a difference in their community, country, and world!

Summer will be a very busy time in Shelby! Work continues on the two homes being built on 10th Street South. Interested homebuyers should contact Shelby City Hall for pre-qualifying documentation. New features to be added at Meadowlark Park are regulation basketball hoops and a public restroom. Construction projects will also continue within our water, storm water and waste water infrastructure systems.

July 4th will be a big day in Shelby! Celebrating the 100th anniversary of the infamous Dempsey Gibbons World Heavyweight Championship Fight, a full day of fun is planned. Todd Howell will coordinate a classic car show. The Shelby Volunteer Fire Department will once again, host their annual Fireman's Picnic. The Champions Park Committee will host a dedication of Champions Park and the Marias Museum of Art & History will host a special open house. The Centennial Committee has organized boxing bouts followed by a street dance and fireworks hosted by the Tap Room, The Mint & Rick Neva will end the evening.

We hope everyone has a safe and fun summer! Always, please contact Shelby City Hall at (406) 434-5222 with any questions or concerns you may have. Happy summer!

As a Tree City USA for 21 years, the City of Shelby is very grateful for all those who continually volunteer their time, donate to the forestry program with the gift of trees, and ultimately serve as good stewards of the community. Together we are making progress in caring for our tree population and improving tree species while also keeping our community clean and cared for.

Special thanks to all the students & staff of Shelby Public Schools, St. William's Youth Group, Logan Health staff, Toole County Medical Auxiliary, Toole County Sheriff's Department and all the other groups, businesses, and individuals for participating in our Arbor Day celebration and Annual Shelby Clean Up. Thanks also to Toole County Library for incorporating trees into Story Hour as part of our Arbor Day celebration and big thanks to the Toole County Conservation District for generously gifting all our teaching staff with Ponderosa Pine saplings. Community efforts like these cannot happen without the support of all these wonderful people. THANK YOU!

### Pool opens June 5<sup>th</sup>!

Each year the City of Shelby tries to maintain a Recreation Pass Fund for the children of Shelby. The fund provides financial assistance to those kids and families who cannot afford swimming pool passes. If you would like to contribute to the fund, please contact City Hall at (406) 434-5222 or send your donation to the City of Shelby Recreation Pass Fund ~ 112 1<sup>st</sup> St. S., Shelby, MT 59474. Families in need of assistance for pool passes should stop by Shelby City Hall to complete the short form as soon as possible.

This year we have also been fortunate to receive grant funding from the Step Into Swim Program, a program focusing on drowning prevention and creating more swimmers. With grant funding, the city will be offering additional swim lesson sessions throughout the summer. Families who qualify for a scholarship will receive swim lessons free of charge. To apply, contact City Hall or call Lorette Carter at (406) 434-5222 or email [lorette@shelbysmt.com](mailto:lorette@shelbysmt.com). Registration for lessons will begin when the pool opens June 5<sup>th</sup>, but families should apply for the program immediately. Let's make sure every child has the opportunity to enjoy a summer of fun and recreation at our Shelby Swimming Pool.

### SPECIAL POINTS OF

#### INTEREST:

- SHELBY SUMMER ACTIVITIES
- CIVIC CENTER & POOL SUMMER SCHEDULE

### IRRIGATION

### RATES ARE ON!

As spring turns into summer, weeds and debris can get unsightly! The City of Shelby weed ordinance requires all vegetation on property be kept below six inches. If vegetation is in excess of this, you are in violation of the ordinance and the city can go in and mow your property – billing you for the time! The ordinance can be found on the City of Shelby website at ([www.shelbysmt.com](http://www.shelbysmt.com)).

At the same time, trees, hedges and bushes at intersections must be no higher than 2 1/2 feet within 30 feet of the street corner for visibility and safety of pedestrians and motorists. Please look at your property, be a good neighbor and let's make our community shine this summer. Your efforts are greatly appreciated.
