RE: NOTICE TO ABATE OR SHOW CAUSE HEARING
Abatement of 233 2nd Ave. S.E. Shelby, MT 59474 (mobile home & property)
Lot 13; Block 8; Guth First Add

Dear Sir:

On March 30, 2021, the City of Shelby Building Inspector sent you a letter regarding the above-mentioned property. The letter specified some issues that need to be abated or the City Council will hold a show cause hearing on May 3, 2021. The issues appeared to be abated so the City dismissed the show cause hearing and dropped the matter.

However, the City received another complaint on the property today. The Mayor and I personally inspected the property. We found a person actually living in the mobile home. We have also received credible reports of children living there. The condition of the inside of the mobile home is intolerable- it is full of garbage, junk, food waste, and human waste. The conditions are grossly unsanitary- the stench of human waste is overwhelming. The woman residing in the home told me that the sewer has not been functioning since sometime in January. According to her, the residents have been using a bucket as a toilet and disposing of the waste in a dumpster. The conditions of this property are a Dangerous Building under 10-5-1, S.M.C. and Public Nuisance under 4-6-1, S.M.C.

233 2nd Ave SE Shelby
NOTICE TO ABATE OR SHOW CAUSE

Civil- Dangerous Building

Under the City's Community Decay and Notice to Abate codes, I have to give you thirty (30) days to abate the violations or order you to show cause as to why the City cannot abate the problems and put the costs as a lien on the property. I must send the notice to all persons who have an interest in the property and who may suffer a loss if the City takes action.

This letter is your notice that the problem needs to be abated or cause must be shown as to why the City should grant an extension or the issues do not rise to a public nuisance.

If the property is not repaired or demolished within thirty (30) days of the date of this Notice, the City Council will hold a Show Cause Hearing, pursuant to 10-5-5 S.M.C. on June 7, 2021 at 6:30 pm in the City Council Chambers at Shelby City Hall located at 112 1st Street South, Shelby. The purpose of a Show Cause Hearing is hear testimony from witnesses and consider other evidence to determine whether the property is a nuisance and, if so, what actions should be taken. Actions may include ordering the City to make the necessary repairs and/or demolition and placing a lien upon the property to recover its costs.

Criminal- Public Nuisance

Maintaining a Public Nuisance is a misdemeanor criminal offense under Shelby's codes punishable by a fine of up to \$500 and/or 6 months in the county jail for each day the condition of the offense exists. See, Title 4, Chapter 1 S.M.C.

I am considering misdemeanor criminal charges against the persons I have identified as having an actual property ownership interest. At this time, I have identified Mr. Roberts and Mr. Cox as having ownership interests. I do not have to wait 30 days or any other period of time to file charges. I am currently exercising my discretion to not pursue criminal charges. I will visit the property again around May 18 and may reconsider at that time depending on any changes in the condition of the property.

The City's ordinances are available at City Hall during normal business hours, online at https://codelibrary.amlegal.com/codes/shelbymt/latest/shelby_mt/0-0-0-1, or from the City Attorney's office.

Feel free to call and discuss this matter with me. However, I am not empathetic to any claims that the person(s) occupying the property were evicted, not tenants, currently trespassing, etc. My position is that it is the property owners' responsibility to keep a property in good condition. Other persons with interest in the property such as a mortgagee or contract note holder assume the risks that the buyer(s) allow waste and ruin.

Shelby Tourism Business Improvement District Work Plan 2021-2022

Shelby Tourism Business Improvement District

Tourism is a vital part of the Shelby economy. The Shelby Tourism Business Improvement District (TBID) is a tool which allows our community to actively pursue resident and non-resident tourists for local events, sporting venues, activities and conventions. The Shelby TBID is made up of the following lodging establishments: Comfort Inn; Crossroads Inn; Glacier Motel; Totem Motel; O'Haire Manor; Best Western Shelby Inns & Suites; and Sherlock Motel Inc.

These participating establishments petitioned the City of Shelby for formation in 2011. The TBID was approved through Resolution No. 1817 with original members. Resolution No. 1831 brought in O'Haire Manor. Resolution No. 1859 brought in the Best Western Shelby Inn & suites and Resolution No. 1878 included the Sherlock Motel. They have an executive committee; by-laws established November 8, 2011; and a yearly work plan.

NTI will be busy in July! We will be providing a bus for the Shelby Community Tour on July 10th during the All Class Reunion. Anyone who is interested in taking this tour is welcome to show up at the Shelby Area Chamber of Commerce building (100 Montana Ave) at 1:50 pm. The bus will be leaving at 2 pm. Highlights of the Community Tour will include: the Splash Park, Carousel, Champions Park and Krysko Skate Park. The bus will also go past the O'Haire Manor Sign, the Port of Northern Montana, the Marias Fair Grounds, Shelby Schools and Lake Shelby/Roadrunner Recreation Trail. The tour then heads to the West end of town for a look at The Northern Transit/Subway Building (old Hannah & Holmes Building), the new Shelby Fire Hall, the Historic Shelby High School, and the old Hospital (Currently the Shelby City Hall/Marias Heritage Center). Please join us on a tour of the sites that make our town interesting and unique! I'm willing to bet you'll learn something new about Shelby.

MEET YOUR NORTHERN TRANSIT DRIVER...

Irma Smrcka is one of our featured transit drivers for July. Irma has been driving for Glacier County Transit for about six years. She decided to drive for us when she heard the ad looking for drivers, and she thought it was a job she would be able to do. Irma's favorite parts of driving for the Transit are the people she meets and the driving itself. She told us her most memorable trips are the ones where she gets to have a good visit with her passengers. All of Superman's superpowers are what she would choose for herself—plus being able to withstand Kryptonite! Irma is not married. She has two children and three grandchildren. Carpentry, beading and gardening are her favorite things to do when she's not driving the bus. Mysteries (especially by Agatha Christie) are what she likes to read, and she likes to watch PBS's *Masterpiece Theater* when she has time. *To Kill a Mocking Bird* is Irma's favorite movie of all time, and she chooses to listen to Alternative music or Willie Nelson tunes. Her theme song is *Stayin' Alive*! Irma confesses that she is a "foodie" and likes all kinds of food, but if she had to pick a favorite restaurant, she would choose Serranos in East Glacier. When I asked if she would rather talk like Yoda or breathe like Darth Vader, she said she sounds a lot like Darth Vader when she runs! She also shared that she would last a long time in a Zombie Apocalypse, because she HATES Zombies! Irma is recognized for going above and beyond her duties at the transit, and is a perfect example of doing things the "NTI Way". We appreciate her dedication and hard work!

Mike Bashor has been with Northern Transit for fifteen years! He decided to drive for us after he quit driving the school bus. Mike said he likes people and he likes to travel, so this is the perfect job for him. Mike's favorite memory of driving for the transit was a special trip he took to Canada. He took several people (including Montana's Lieutenant Governor) on a tour of Southern Alberta's agricultural region. He said he was most impressed with their irrigation system, and that it was a fun & interesting tour. If Mike could have a super power, he would choose to be a millionaire so he could travel as much as he wanted. His theme song is "Traveling Man" by Ricky Nelson; and, coincidentally, Traveling Man is his nickname. Mike has been married for 53 years (on July 13th). He has three children and three grandchildren.. His hobbies include: photography, sports and (you guessed it) TRAVELING! He also likes to read detective novels by Grisham, Patterson and Stuart Woods to name a few of his favorite authors. John Wayne and World War II films are Mike's most-liked movies. Ribeyes are his favorite food, and Outback Steakhouse is where he likes to eat them. 60's music (particularly ballads by Elvis, The Beatles, The Everly Brothers, and Bobby Darren) are his favorite tunes. You will have to ask him to tell the story of singing Elvis songs at a pub in Ireland! Mike's experience and expertise are invaluable to Northern Transit! We're so happy to have him as part of our team!!
