

CITY OF SHELBY

AUGUST 2021 NEWSLETTER

Dear Shelby Residents,

We hope you have had a safe and enjoyable summer. It was a busy summer in our community and we hope everyone enjoyed the All-School Reunion and Marias Fair. Roadwork should be wrapping up as MDT completed several large paving and chip sealing projects along Roosevelt Highway, Main Street, Coyote Overpass and Oilfield Avenue. City paving continues to improve a few more streets each year as funding permits.

Special thanks to Marias River Contracting, Dew Drop Sprinklers, the city crew and all the volunteers in completing the grounds around Krysko Park. The grand opening was a huge success and we are forever grateful to Jeff Ament and Larry Krystkowiak for their wonderful gift to our community. We ask parents to be vigilant in encouraging their children to keep the park clean and enjoyable for all. A video camera security system is in place at the park.

The city continues work on critical infrastructure within the community. Projects at the wellfield are improving our water supply and transmission to our storage tanks as well as increased capacity at the UV treatment facility. Work continues to complete park signage and a new sign at the west entrance into Shelby will welcome travelers this fall thanks to grant funding from the Montana Office of Tourism.

The Roadrunner Recreation Trail has been re-sealed thanks to the generous support of Dick and Mike Irvin of Dick Irvin Incorporated. We are blessed to have so many caring people who want only the best for our community. A new mountain bike trail will begin development this fall through grant funding from Montana Fish Wildlife & Parks Recreational Trails Program. The trail will partner with the Roadrunner Recreation Trail in parking areas, and loop around the trail challenging mountain bike enthusiasts of all ages.

The city will also begin work at Historic Shelby Town Hall this fall. Grant funding from the Montana Historic Preservation program will allow the city to complete roof restoration.

With the beginning of the school year soon we encourage you to drive with caution as kids will be walking and biking to school in the coming weeks. Informational articles are included in this newsletter that we hope you read and share with your children as together we can continue to make Shelby a great place to live, work and raise our families.

- SAFE ROUTES TO SCHOOLS 2021 -

Today, more than ever, there is a need to provide options that allow children to walk and bicycle to school safely. Many communities like Shelby struggle with traffic congestion around schools. At the same time, children in general engage in less physical activity, which contributes to the growing epidemic of obesity.

Safe Routes to School programs share one common goal – to improve the health of kids and the community by making walking and bicycling to school safer, easier, and more enjoyable. SRTS programs use a variety of education, engineering and enforcement strategies that help make routes safer for children to walk and bicycle to school and encourage more children to participate.

The City of Shelby has been very fortunate to have been awarded funding several years ago through the Montana Department of Transportation Safe Routes to School Program to work towards that goal of making our community safer for our children and families to walk and bike. The city made great improvements over the years to the arterial sidewalks leading to the school campus and the bike path along Oilfield Avenue. All these projects are directed toward making our community more walkable and bikeable.

At the same time, a task force made up of city and school officials/staff, and the Toole County Sheriff's office continues with an education campaign. For the last 14+ years, the task force has planned Walk n' Wheel Wednesdays and Fit Fridays with prizes for those children who take part. **Walk N' Wheel Wednesdays start Wednesday, September 8th and Fit Fridays begin Friday, September 10th.** Walking school buses led by adult walkers are stationed at the old Middle School leaving at 7:35am and Oilfield/Sheridan intersection at 7:45am. All children riding bikes **MUST WEAR HELMETS**, walk their bikes over the viaduct and ride ahead of walkers. Parents, grandparents and all family members are encouraged to walk/bike with their children.

This newsletter has very informative articles and information from our school district, Toole County Sheriff's Office and Safe Routes to School task force. Citizens of Shelby are encouraged to offer input or assistance in developing and initiating new programs and projects that continue to encourage, educate and engineer a more walkable and bikeable community. Please call Lorette Carter, City of Shelby at 434-5222 or e-mail shbcdc@3rivers.net if you're interested.

Together we can all work to continue to make Shelby a great place to live, work and raise our families.

Follow us on Facebook . . . The City of Shelby has a weekly Facebook post to keep residents up-to-date on city projects, programs and events. You can follow the City of Shelby on Facebook at **Shelby Montana**. Please look for **"THIS WEEK IN SHELBY"** each Monday for a list of projects the city is currently working on; infrastructure projects affecting traffic; garbage pickup routes; meetings; Civic Center activities and much more. If there are any changes to the schedule or notifications, please check the City's Facebook page daily for updates.

THANK YOU FOR MAKING OUR COMMUNITY BLOSSOM!

The City of Shelby is very fortunate to have so many dedicated volunteers who plant and care for the baskets and planters that line Roosevelt Highway, Oilfield Avenue, Main Street and Central Avenue. These beautiful flowers and shrubs brighten Shelby roadways and welcome visitors and residents alike. The city would like to thank these individuals and businesses for the commitment to helping Shelby "bloom" each summer.

Roosevelt Highway – Taylor's True Value • Dash Inn • Glacier Motel • Marias River Electric • Bear Paw Credit Union • Pizza Hut • OYO Hotel • Aaron & Gwen Heaton & Family

Oilfield Avenue – Audie & Clark Bancroft • Sharon & Jon Dolan • First Baptist Church • Barbara Mercer • Town House Apartments • Myron Frydenlund • Melody Flesch • Rosalie Manley • Brian & Colleen Lee Family • School District #14

Special thanks to the Shelby Area Chamber of Commerce for purchasing flowers; Nicki Anderson of Shelby Floral & Gift & the city crew for planting the flowers; and the wonderful volunteer waterers ~ Nicki Anderson, Mark Anderson, Louise Aegerter, Ashley & Colton Lampert, Ann & Brendan Clark and Emersyn Hoover for keeping our planters looking beautiful!

Thank you again for your gift of time and making Shelby a welcoming community.

- BACK TO SCHOOL BICYCLE AND PEDESTRIAN SAFETY TIPS -

It is the beginning of the school year and now is the perfect time to review traffic safety practices. When parents are walking and biking with their children, they are encouraged to talk to them about street safety and show kids how to interact with other pedestrians, bicycles and vehicles. Young children need supervision until about age 10 or even older, depending on the child.

It is important for both bicyclists and pedestrians to pay attention and listen to their surroundings. Everyone should avoid wearing headphones that mute their surroundings and avoid cell phone use while walking and biking.

As a pedestrian:

- Teach children to stop at the edge of the street and look for cars.
- Make eye contact with the driver before crossing the street.
- Look left, right, left and over their shoulder for traffic.
- Teach them to cross at intersections and crosswalks when possible.
- It is important to follow all signs/warnings especially at our Galena railroad crossing.
- Wear bright clothing and reflective material if possible.

As a bicyclist:

- Helmets should always be worn no matter how slowly you are riding. Start the helmet habit early and parents should promote this by always wearing a helmet themselves.
- Be sure the helmet fits well, is adjusted to the head, and covers the forehead.
- Bicycles are vehicles. Children should not ride bikes in the road until they fully understand traffic rules and parents should show them how to follow them.
- When riding in the roadway, ride in single file on the right side of the street going the same direction as the traffic.
- Obey all traffic signs, signals and warnings.
- Parents are encouraged to practice with children by riding in a straight line, as well as stopping and speed control.
- Look left, right, left and over the shoulder before crossing, turning or entering the roadway.
- Bicyclists are encouraged to also slow down and look for traffic entering and exiting the roadway.
- Ride so others can see you, stay out of a driver's blind spot and wear bright reflective clothing.
- Use hand turning signals so all traffic can see your intentions.

LET'S MAKE IT A SAFE SCHOOL YEAR, WALKING AND BIKING TO SCHOOL!

ARE YOU A SAFE DRIVER...?

Another school year will begin soon and children in our community will be walking or riding their bicycles to and from bus stops and school. As we patrol, we see many children walking across streets without looking and bicyclists who ride through stop signs and across busy intersections. We also see many motorists not stopping for people in crosswalks waiting to cross or distracted with phones.

Many of us think that we are safe drivers. And yet, many exceed the speed limit, roll through stops signs and drive while distracted or in a hurry. These actions can turn deadly in an instant.

The cars that we drive are built for comfort and speed and drivers often forget that they are operating a piece of heavy machinery. There are more than 41,000 deaths on the road nationwide each year and 5.3 million injuries, according to the National Highway Traffic Safety Administration.

Please take a moment to look at your own driving habits. Most people want to do the right thing...and by making a few simple changes in our daily driving habits, we can stop a tragedy before it happens. - Toole County Sheriff's Department

REMINDERS FROM SCHOOL DISTRICT #14

PASSING SCHOOL BUSES - Passing a bus when loading or unloading children is a **violation of the law**. This continues to be an issue every year and we hope that it never becomes a catastrophe. Bus drivers are legally bound to report passing violations to local law enforcement agencies. **Please, for the safety of all the children, do not pass a school bus that is stopped or preparing to stop.**

Buses use the stop signs mounted on the side of the bus at in-town stops. **To promote student safety, Shelby Schools will be installing extended stop arms on buses. The arms will extend 6 1/2 feet out from the side of the bus to help alert drivers that students are either entering or exiting a bus. Please obey these stop signs just as you would the red flashing lights.**

TRAFFIC FLOW, PARKING, STUDENT DROP-OFF AREAS

School District #14 is very concerned with student safety. One of the more dangerous times at school is in the morning and in the afternoon when children are arriving and departing from school. To insure that our students are safe, we are asking the community's cooperation in adhering to the designated student drop-off and pick up areas as well as obeying all no parking or stopping areas.

- 1) **RED ZONES:** Any area where the curb is painted red is considered a **no parking or stopping zone**. These red zones are fire lanes and must be kept clear at all times for emergency vehicles.
- 2) **YELLOW ZONES:** Are **no parking zones**. Please do not park anywhere the curb is painted yellow. Also, do not stop in the yellow zone that is marked as the bus loading zone near the school buildings.
- 3) **HANDICAPPED PARKING:** Do not park in handicapped parking spaces, unless you have the appropriate permit which allows you to do so.
- 4) **SENIOR CITIZEN PARKING FOR EVENTS:** The parking spaces along the Vo-Ed building on the north side of the gym are reserved for Senior Citizens.
- 5) **ELEMENTARY STUDENT DROP-OFF AREA:** The drop-off and pick-up area for students attending Shelby Elementary School is along Westwood Street on the east side of the school. Please use this area rather than the front of the school.
- 6) **MIDDLE SCHOOL AND HIGH SCHOOL DROP-OFF AREA:** The drop-off area for Middle School and High School students is at the West end of the high school building near the main entrance.
- 7) **HIGH SCHOOL PARKING/PARKING FOR SCHOOL EVENTS:** The School District asks that you utilize the parking lot behind the high school for school activities. The back lot is paved, has very easy access and is well lighted. It is a much safer and secure location to park.
- 8) **SPEED ZONES:** Please remember that the speed limit around the schools is 15 mph.

We ask for your cooperation in making the Shelby School campuses a safe place for our children.

TALK TO YOUR TEEN ABOUT TEXTING & DRIVING . . .

As school and high school sports are set to begin, we remind parents to have daily conversations with their teens about the important rules they need to follow to stay safe behind the wheel of a passenger car, truck, or SUV. These rules should address the greatest dangers for teen drivers which number one is **DISTRACTED DRIVING!** And don't forget, the City of Shelby has an ordinance prohibiting use of cell phones while driving. Tickets are costly but more important, **LIVES ARE PRICELESS!**

THE PROBLEM — TOO MANY TEENS ARE DYING ON OUR ROADS

- Car crashes are the leading cause of death for teens (15 to 18 years old) in the United States – ahead of all other types of injury, disease, or violence.
- Distracted driving accounts for approximately 25% of all fatal crashes and teens are the largest age group involved in these fatalities.
- Distractions while driving are more than just risky—they can be deadly. 2017-2018 showed among teen drivers involved in fatal crashes, 58% percent were reported as distracted at the time of the crash.
- Distracted Driving has been called an American EPIDEMIC and is completely preventable.

Parents – you've guided your teen this far. Driving is a new chapter, a step toward independence for many teens. But your job is not done. Surveys show that teens with parents who set firm rules for driving typically engage in less risky driving behaviors and are involved in fewer crashes. But your kids can't listen if you don't talk.

- Get the facts about teen driving and share these statistics with your teen.
- Know Montana's nighttime driving restrictions, passenger restrictions, and all the graduated driver licensing (GDL) restrictions, and help enforce them.
- Be a good role model for your teen driver and set an example with your own safe driving habits.
- Remind your teen that driving is a privilege, not a right, and it must always be taken seriously.
- Set the rules before they hit the road.

Start the conversation with your teen about safe driving habits now and continue the conversation every day throughout the year. Even if it seems like they're tuning you out, keep reinforcing these rules. They're listening—your constant reminders about these powerful messages will get through.

Get creative! Talking is just one way to discuss safe driving. You can also write your teen a letter, send e-mail or text reminders, leave sticky note reminders in the car, or use social media to get your message across.

Get it in writing. Create a parent-teen driving contract that outlines the rules and consequences for your teen driver. Hang the signed contract in a visible place as a constant reminder about the rules of the road.

If you and your teen are going somewhere together, let your teen drive. Make sure he or she is following the guidelines you've set.

CIVIC CENTER

669 Park Ave • 434-5114

Monday - Thursday: 10:00 am - 3:30 pm & 4:30 pm - 6:00 pm — Friday: 10:00 am - 3:30 pm & 4:30 pm - 5:00 pm

August is here and summer is coming to a fast end. No need for sad faces though, there is still a lot going on at the Shelby Civic Center that will keep you going!! Fall classes are here and we have a few changes but not much! The elliptical room did get a new bike that takes you on a virtual ride around the world or connects you to your own Netflix account so you can watch your favorite shows as you burn those calories off!! The Toddler Room has combined with the Teen Room and become the Fun Zone that's fit for all ages! We also offer access to the volleyball nets and basketballs on weekends with an easy sign-out process in the office. Stop by and talk to Jessi if you are interested!! We have a gym floor for basketball, banquets and party events of all sorts; a weight room, 2 racquetball rooms, and 3 cardio rooms. We also have archery available through the Marias Valley Archery! For a fob purchase you can access the facility 24hrs a day for times that are easy for you! We do have day passes, monthly passes and class passes available with additional fob purchases to get you 24hr access!! Jessi will be happy to answer any questions and help you get started with any future goals you may have!!

CLASS SCHEDULE

MONDAY	TUESDAY	WEDNESDAY	THURSDAY
9 am • Circuit Training	4:30 pm • Roller Skating	10 am • Tai Chi	4:30 pm • Roller Skating
5:30 pm • Cardio Kickboxing			5:30 pm • High Fitness
